Section 400 Policy to Issue Recognitions

The Board of Selectmen will recognize members of boards and commissions and volunteers annually during the month of September.

An open invitation, with a R.S.V.P. requested, will be extended to current and past boards, commissions and volunteers through social media, town newsletter and cable network.

Board and commission members and volunteers that have ended their service by the prior July shall be announced.

Head(s) of boards and commissions and volunteers will be asked to acknowledge those who have served and/or are presently serving if they so wish.

In addition, any individual may be recognized for their service or significant accomplishment to the town by their respective group.

A reception of those attending will be in the format of a reunion where those who wish to attend may visit with those who have provided service to the town after recognitions have been made.
