Outreach Update

Dan contacted Auburn News who put it in their calendar of events, Yankee Express, and town departments. Bill and Darlene Coyle agreed to distribute flyer in member packets.

Flyer is going to be on bulletin board at Senior Center, Merriam Building and outside Town Clerk's office.

Town Clerk helped getting notice on social media accounts and town website.

Event

We discussed asking that Cable Access not televise the event or speaking program. Tristan will contact the town manager.

Tristan is continuing to work on the fun facts and program. For the program it was agreed Tristan would finalize without a further vote. Currently, Senator Moore and Representative Frost are planning to attend and speak.

Tristan priced some decorations.

Dan talked with Heritage Café who agreed to provide refreshments for the event.

RSVP deadline is August 30th. We will meet on 09-9-19 to discuss a final head count

Next Meeting: September 9th at 6:30
