

Auburn's Town Recreation Department is proud to offer MORE Zumba classes this Fall, starting on Wednesday, September 7th. Classes will be held either at the Dr. Arthur and Dr. Martha Pappas Recreation Complex (weather permitting) or in the Auburn High School Fitness Room (weather uncooperative).

Amy has been teaching for the town of Auburn for three years now. Her classes are marked by fiery international and national rhythms: they include simple and FUN dances such as Salsa, Merengue, Pop, Cumbia, and Hip-Hop dances. Members leave feeling super-charged with a dose of fitness, toning, cardio, spunk, and a whole lot of happiness.

Former members who have taken Amy's class will be "grandfathered" in for the insanely low rate of 10 classes for \$60.00. New members will enjoy the value rate of 10 classes for \$70.00. Drop Ins are always welcome for \$10.00 per person. Bring a friend for a discount – 2 for \$15.00!

Pre-registration is required for both value packs. Mail your check to Kristen Pappas, 4 Goddard Drive, Auburn, 01501.
