

Auburn's Recycling

Regulation

Purpose:

- To preserve public health and the environment
- Keep recyclables out of trash and restricted items out of recycling

Brief Overview of Rules:

- Trash and recycling will be placed in separate marked containers
- Trash collected shall **not** contain recyclables or restricted materials
- Recycling shall **not** be placed into plastic bags for collection
- If the Town of Auburn does not collect an item it must be removed from the curb within 24 hours

These rules are in place to ensure that Auburn's recycling is processed correctly and efficiently which has many benefits for the town, public health, economy and the environment. Although our priority is education, there are penalties in place for non-compliance of this regulation. You can review the regulation in its entirety at www.auburnguide.com

Recycling Made Simple!

Single stream recycling means all of your recyclable items can go into one bin!

How do I know if an item is recyclable within my provided toter?

Please refer to the state-wide acceptable items in this pamphlet to find paper/cardboard; food/beverage cans; plastic bottles, jars, jugs and tubs and glass bottles and jars. Any item you are unsure of can be searched through the recyclopedia on the website:

www.recyclesmartma.org

Keep in mind that just because an item has a recycling symbol on it, that does not mean it is accepted in your curbside toter! If you have any further questions please call the Town of Auburn BOH at 508-832-7703.

Plastic Bottles, Jars, Jugs and Tubs

Empty and replace cap!

Almost all plastic containers can be recycled. There are few exceptions, if you have any doubts please visit the recycle smart website or contact the Auburn BOH.

Again, just remember no food or liquids should contaminate recycling

Paper & Cardboard

Here is a list of some items you may have in your household that can be placed in your toter!

- Newspaper, magazines, phone books
- Office paper, junk mail, file folders
- Paperboard cereal and snack boxes (please flatten)
- Egg cartons
- **Flattened** corrugated cardboard boxes

Metal

All clean metal food and beverage cans can be recycled! **NO** scrap metal
