

Leesville Pond Water Quality Protection and Community-Wide Resiliency Improvements

Town of Auburn

About the Project

In fall 2020, the Town of Auburn was awarded Action Grant funding through the Municipal Vulnerability Preparedness (MVP) Program, administered by the Massachusetts Executive Office of Energy and Environmental Affairs. The MVP program provides funding for communities across the commonwealth to implement climate resilience projects at a regional or municipal-level.

This project focuses on two main initiatives:

- 1) Improving water quality and ecological conditions at Leesville Pond, with a focus on community education and outreach.
- 2) Ecological restoration and infrastructure improvements at the Sword Street Crossing over Kettle Brook.

CONTACT US

If you have any questions or comments about the project, please reach out to Adam Menard, Town Planner, at 508-832-7719 or amenard@town.auburn.ma.us

Business hours are:

Monday to Thursday: 8:00 AM to 4:00 PM

Friday: 8:00 AM to 1:00 PM

Please note Town Hall is open by appointment only due to COVID-19.

Resilient Auburn
