

Auburn Travelers FASCA presents...

15 Nights aboard the *Norwegian Dawn*

# Panama Canal Cruise

from *New York*

November 9 - 24, 2019

It's a new day on **Norwegian Dawn**. After extensive upgrades ranging from renovations of existing spaces to the introduction of brand new venues, she's practically a new ship. Now you can enjoy Los Lobos, an authentic Mexican cantina and O'Sheehan's Neighborhood Bar & Grill, serving up sports highlights (and pints) all night. Stroll over to The Cellars – A Michael Mondavi Family Wine Bar and then pop into Sugarcane for a refreshing mojito – or two. Melt your cares away in the award-winning Mandara Spa. Get ready to experience a brand new Norwegian Dawn.

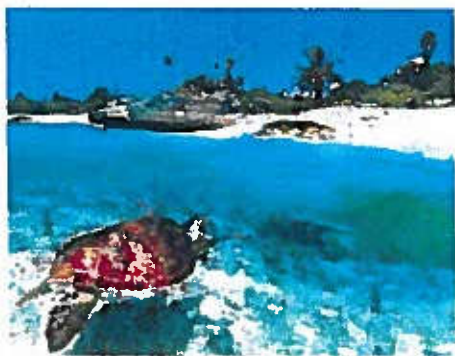

We'll enjoy three sea days from New York to begin our 15 night cruise before docking in **Willemstad, Curacao**. Walk around this quaint harbor town, reminiscent of Old Amsterdam, and admire the colorful Dutch architecture. Relax on a 17<sup>th</sup> Century veranda with a drink made with the famous Curacao liqueur. We stop next in the bustling town of **Oranjestad**. Incredible white sands, cobalt blue seas and Dutch colonial buildings draped in bougainvillea make the island of **Aruba** a popular destination. Next, admire the stunning bays and beaches of **Santa Marta, Colombia**. Explore the ancient culture of the Taironas or visit the beautiful Cathedral. The old walled city of **Cartagena** reflects a turbulent history of conquistadors and pirates. Climb "las murallas" for an

unforgettable view of the harbor. Then, get ready to marvel as you transit the **Panama Canal** which is considered one of the seven wonders of the modern world. Next, take in the stunning view as we sail into the Caribbean seaport of **Colón, Panama**. This industrious town was the last stop on the 19th century Panama Railroad. Our next stop, **Puerto Limón, Costa Rica** has become a must-see stop for eco-tourists. The region's unique geography and neo-tropical climate combined with abundant rainforests make for one of the most naturally diverse "biospheres" in the world. Beautiful and unspoiled, the island of **Roatan, Honduras**, is teeming with marine life and is home to some of the best pillar coral in the Caribbean. Immerse yourself in natural beauty and culture in **Harvest Caye**, a 75 acre oasis in Southern **Belize**. Lastly we dock in **Costa Maya, Mexico**, a coastal paradise in the Yucatan featuring stunning beaches. Visit ancient Mayan ruins in this region rich with archaeological sites. Following a day at sea, we'll dock back in Tampa and fly home.
