## THE MUSIC OF CHICAGO LIVES ON!

The music of 2016 Rock 'n' Roll Hall of Fame inductees *Chicago* spans more than four decades and includes *Five #1 Albums and 20 Top-Ten Hits*. These timeless classics are guaranteed to be enjoyed by music fans of all ages when performed by this talented group of musicians, *Beginnings*.

Orlando Transit Authority presents a flawless replication of three decades of inspired music in a show that includes nearly every charted song that captures the hearts of traditionalist CHICAGO fans. Orlando Transit Authority is a high-energy Chicago tribute show made up of A-list players who are, first and foremost, Chicago FANS. Founder Stan Allen and Musical Director Carl Dirkes hand-picked each member of the band based on one simple criteria: The degree to which he naturally sounds like the corresponding original member of Chicago. Any time you assemble players of this caliber, a great-sounding band is a given – but that wasn't enough. Orlando Transit Authority went one step further by seeking to emulate every stylistic nuance of the Chicago sound, both vocally and instrumentally. The vocal harmonies are right. The solos are right. The guitar sounds are right. EVERYTHING is right. Close your eyes and you just might forget who it is you're listening to. Performing without the use of pre-recorded tracks, concert audiences get to experience a vibrant and high-energy live performance of some of the greatest songs from the golden age of *Chicago*!
